Thank you for your interest in volunteering with the St. George Bicycle Collective!

Larger volunteer groups, for instance a group of colleagues from a business, a sports team, Boy Scouts, etc., can help us to accomplish larger tasks in a short amount of time.

Do a bike drive for us, or help us refurbishing kids bikes, salvaging parts from unrepairable bikes, and more. See details below.

**Group size**
We ask groups larger than 4 to pre-schedule a time to volunteer with us (call 435-574-9304 or email stgeorge@bicyclecollective.org). We can generally accommodate groups of up to 20 people.

**Time commitment**
Typically, sessions last 90 minutes to 3 hours.

**Cancellation**
Please let us know in advance if you need to cancel.

**Training sessions**
We are also happy to schedule training sessions (How to fix a flat, Bike Maintenance 101, Kids Bikes Safety Checks) for groups. We offer these on a donation basis.

GROUP VOLUNTEER OPPORTUNITIES

Salvage parts from unrepairable bikes (up to 20 people)

We get hundreds of bikes donated every year, many of which cannot be refurbished anymore. We salvage the parts that we can reuse, a great educational opportunity for children and adults who’ve never worked on a bike before. Salvaging parts from a bike familiarizes you with bicycle components and the tools needed to work with them.

Refurbish kids bikes with us (up to 12 people)

Another great activity for children and adults new to bike mechanics. We follow a step-by-step guide and refurbish bikes that will be given to children in need, leaving out the most complicated tasks. This is a very rewarding activity - you might not know that you have a bike mechanic in you!

Refurbish adult bikes (up to 12 people)

Groups with some mechanical knowledge interested in diving deeper into bike mechanics can help us refurbish bikes for youth and adults in need. We offer step-by-step guidance and may need to leave more complicated issues for our staff mechanics and core volunteers to fix later.

Bike Drive (no restrictions in group size)

Bike drives are a great way to help us with inventory and to get word about the Collective out to your company/school/sports team/neighborhood, etc.

We are happy to supply flyers and any other materials needed to prepare for a bike drive. Please check with us before you plan a drive, we are not always able to accommodate more bikes in our storage.

Though we accept bikes in any condition, bikes in good condition are most helpful.

If you can, plan to spend a couple of hours at the Bicycle Collective on the day you deliver your bikes and help us sort through the bikes, store those we can refurbish and salvage parts from those we need to recycle.

An alternative or addition to a bike drive can be a donation drive for locks, lights, helmets, bike racks, and other safety gear that we give to underprivileged children and adults who receive free bikes from us.

Tour and presentation at the Bicycle Collective (no restrictions in group size)

We invite groups larger than 20 to schedule a tour and a presentation at the Bicycle Collective. Large groups can help tremendously by attending a presentation, spreading the word, and facilitating bicycle, gear, parts, or financial donations for us.

Large groups can also consider to do a bike or donation drive for us. We are always in need of high quality bikes and parts, gear, and new helmets and locks for our Goodwill program.

Come see for yourself!

St. George Bicycle Collective
70 W St. George Blvd.
St. George, UT, 84770

Open Tuesday, Thursday, Friday 11 AM - 6 PM, Saturday 10 AM - 2 PM
Wednesday is Volunteer Day 2:30 PM - 9:30 PM

The mission of the Bicycle Collective is to promote cycling as an effective and sustainable form of transportation, recreation, and as a cornerstone of a cleaner, healthier, and safer society. The Collective provides refurbished bicycles and educational programs to the community, focusing on children and lower income households.
