

Volunteer: Landscaping Coordinator

Help to make the Ogden Bicycle Collective a nice place to be by beautifying our outside spaces. The Landscaping Coordinator will gain great satisfaction from taking our neglected weed-filled beds and outside spaces and making them tidy and well-maintained. You'll get to work in the great outdoors, use and develop your communication and coordination skills, and see the results of your hard work!

Primary responsibilities:**Landscaping**

- Gather and remove litter.
- Weeding, spreading mulch, and plant care and maintenance.
- Landscape planning and design.
- Helping with snow removal in the winter.

Coordination

- Communicate with the Location Director to plan landscaping needs.
- Work with the Volunteer Coordinator to get volunteers to meet landscaping needs.
- Coordinate landscaping volunteers.

Reports to: Location Director

Length of Appointment: 6 months

Time commitment: Variable according to the landscaping work required.

Requirements:

- Landscaping knowledge and experience
- Experience in use of hand tools, mowers and other power tools associated with landscaping
- Physically able to perform landscaping duties outside, in all weather conditions
- Access to your own landscaping tools is preferred
- Strong interpersonal skills
- Friendly, honest and trustworthy
- Strong support for the mission of the Bicycle Collective

Support: Support in this position is available from the Location Director and Volunteer Coordinator.

Benefits:

- Use and develop skills in landscaping, communication, and coordination.
- After 4 hours of service, volunteers receive member benefits in the following month.
- The admiration and gratitude of staff, volunteers, customers, and passers-by.
